Criminal Revision No. 26 of 2001

Hon. M.C. Jain, J.

By means of this Criminal revision, the applicant has challenged the order dated 14-03-2001 whereby third Addl. Sessions Judge, Hardwar, rejected his application for being released on bail on the ground of mental illness. It appears that he is accused in S.T. No. 22/1998.

Revision against the rejection of bail application is misconceived, and is hereby dismissed.
